Birthday: July 29, 1961
Occupation: Kitchen designer & bussines owner
Website: www.jsbdesign.net
Marital Status: Single

From John: Wow! I can't believe 30 years have past. Looking foward to seeing all you guy's who decide to show up. I have never been to A East High reunion before so this will surly be fun and interesting.

I moved to Denver in 86 pursuing more opportunity in residential interior design. Well I guess I found it here owning two different companies's, one designing and manufacturing high end custom kitchens, baths & etc. and the other retailing more standardized kitchen cabinet lines. What a run it's been.

Still single but always looking for the right women I can marry. I think my work has kept back from this, anyway I still enjoy skiing (even though it's a pain in the ass up here), biking, golfing and hanging out with my doggy and good friends. Oh yea, I am a huge Ute's sports fan.

We've also just been called as Executive Directors for Nauvoo Productions - a mission call that will take us to Nauvoo for about 1/4 of the year for the next 4-5 years - totally overwhelming but a fabulous opportunity that we're really looking forward to. We send our very best to everyone - have a wonderful reunion!

 Hard to believe it has been 30 years! Just wanted to touch base and I am afraid I won't make it to the events this time around. Life is good, a major life shift for me since the last reunion (I expect I was the last to know) It just took meeting the right person, all questions were answered and we have been happy ever since. She is lovely, we have 6 great kids, a wonderful life along the Connecticut coast, traveled the world and tried to make a difference. My offices are in NYC and I have had an exciting career that opened doors I could have only imagined! I wish I could see everyone and hope life has been a wonderful journey for the EHS Class of 79! Would love to hear from you...
