From Brian: Wow time flies. I'm the CFO and Managing Partner for United Concerts. We promote and produce the major live music concerts throughout the western U.S. We own several venues including the USANA Ampitheatre and Blues at the Depot, in Utah. It's been a great life working with a lot of the legendary and upcoming rock and country bands. My daughters actually think I'm cool even though they're teenagers. I own the Ore House Saloons in Copperton, UT. and Vail CO. They're just a couple of little biker bars but they're mine and they make me smile. Stop by and have a drink some time. I have two beautiful daughters and three badass Harleys. Life doesn't get any better! Not planning on the reunion, but have a great time!

Occupation: College Professor
Marital Status: Married
No. of Children: 3

Now

From Chris: Life is good still in the old neighborhood. I remarried 4 yrs ago so now I have 18 and 22 year old step-sons along with my 12 year old daughter. I married a Highland girl (Vicky Pembroke class of 1979), so I recently attended the Highland High class of 1979 reunion. I can say that their state championship victory was one of the central themes of the evening, but I did have the opportunity to stand up in the middle of hundreds of "the enemy" and thank all you loyal **East High** fans for all your cheers and support during the season. I'll see you all at the reunion!

Mitra Farahmandi (Egbert)

Birthday: September 08, 1961

Occupation: housewife

Marital Status: Married

No. of Children: 9

Now

From Mitra:

It has been so fun reading about everyone and all of the amazing things you all have done! I thought I had better hurry and add a few words to tell a little bit about what I have been doing, before we gather in a few days!

Since we last met, I was blessed with one more baby, bringing the grand total of children to nine. I have been very fortunate to have been able to be a stay-at-home wife and mom all these years, and because of this I have been able to home school a number of my children. It has been a lot of fun for me, not only spending more time with them, but also learning along side of them. My youngest just turned seven, so I am still very busy with schooling, practicing, carpooling, etc. I also have a little two year-old grandson, who is just so much fun, and I am just grateful that I have always had little feet running around my house!

In my free time (ha ha) I love to run, especially outside on a trail. I love exercising and reading uplifting literature. There have been good times and hard times through the years, but what I have learned is that what really matters are faith, family, and friends, all of which you are a part. So, seeing that I am still in the same house for the last 20 years, if you ever find yourself on Eagle Ridge Drive in Sandy, please feel free to stop by and say hi!!! Until then, I hope to renew old friendships and make some new ones at the reunion! See you soon!

Michael Ely
