Rich Gremillion

Then

Occupation: Health & Wellness Advisor

Now

From Rich:

Just after we were married, Dave Johnson, Brad Boyle, and I were bragging about how we had given our new wives duties. Dave married a woman from Alabama and bragged that he had told his wife she was going to do the house cleaning and dishes. He said it took a couple days but on the third day he came home to a clean house and the dishes were done. Brad married a woman from Georgia; He bragged that he had given his wife orders that she was to do all the cleaning, dishes and the cooking. On the first day he didn't see any results, but the next day it was better. By the third day, his house was clean, the dishes were done and he had dinner on the table. I married a Utah girl. I boasted having told her that her duties were to keep the house cleaned, dishes washed, lawn mowed, laundry washed, and hot meals on the table for every meal. The first day I didn't see anything, the second day I didn't see anything, but by the third day most of the swelling had gone down and I could see a little out of my left eye - enough to fix myself a bite to eat, start up a load of wash, and fold the clothes.

Matt Hansen

BirthDay: September 29, 1960

Occupation: Real Estate Broker & Owner of a Nationwide Insurance Agency

Marital Status: Married

No. of Children: 2

Now

From Matt: I have lived in the Washington D.C. area since 1984. I first came out here as a congressional intern from the Hinkley Institute from the U of U. I worked on Capitol Hill for a few years then I have been in insurance and real estate ever since. Actually my first real date with my wife Cherie was ten years ago at our 20th reunion. We now have a four year old boy and a 20 month year old little girl. (When people tell me they don't believe in miracles, I tell them I look into the faces of two miracles every day).

From Shaun: Wow, has it really been 10 years since our last reunion? But then again 30 years seems just like yesterday. SO 10 years is really like 8 hours ago. I am looking forward to seeing everyone and catching up.

Robert B. Hibbard

Birthday: April 27, 1961
Occupation: Teacher
Marital Status: Married
No. of Children: 6

Now

From Robert B. : Hi gang--I want you all to know that I AM NOT MISSING! I am alive and well and living in Rexburg, Idaho, married to a great woman with 6 great kids. I graduated from the U in 1985, 1989 and USU in 2000 with a master's degree. I went back to high school in the fall of 1990 and have been there ever since. Yes, I am a teacher! I am running the drama program for Madison High School whose colors are red, white and gray and whose fight song is really familiar! I drive my wife and kids crazy because I still am a kid at heart and love the stage--still. I look forward to seeing you all because the picture of everyone in my head is still at 18 and to see some of the pictures here is, well, shocking! As Truvy said, "time marches on honey, and pretty soon you discover its been marching across your face!"

Carolann Cassity (Holmes)

Occupation: business owner & mom
Marital Status: Married
No. of Children: 5

Now

From Carolann :

Hard to believe that 30 years have passed since we graduated! I have been married to Steve Holmes for 25 of those years, have 5 sons, and live currently in Colorado. We have been here for 13 years, after living in California and Scotland. Life is truly an adventure. Our oldest son is serving a mission in Northern Spain. The next two are in high school, one in middle school and the last is in third grade. Although I only spent my senior year at East, I sure have many fond memories of terrific friends and great times! Hope to see you all at the reunion.
