From Steve:

It has been fun learning more about what's become of the Class of '79. Pretty amazing to learn of the wide range of experiences everyone has had. I've gone the mission, college, family route like some of you. We're currently in Rochester, MN where we've been since '99. I work doing business development and licensing for Mayo Clinic's reference laboratory business. Before that we lived in Cache Valley for 7 years after moving from SLC in '92. Life has been a wonderful and interesting journey so far.

We're still in the thick of the child rearing stage of life. Our oldest was married last summer and youngest starts kindergarten this Fall. Even with only 5 kids still at home the pace stays brisk during these treasured Minnesota summer months.

I've heard from a few of you but would love to catch up with others. Send me a quick "hello" email if you have a minute.

From Gordon: Heeeellllloooo all of you silly and crazy East High 1979 graduates of some time ago in the last century not more than thirty one years but no less than twenty nine years ago! It is good to see that many of you have been able to keep up with the intellectual technological advances that humanity has been sooo kind to develop for us to simplify our lives or at least entertain ourselves for hours on end to ridiculous of the night. It makes the world a much smaller place.

As for me, I have stayed fairly close to home living in Davis County (I never thought I would live in Davis County while I was in High School, it just seemed like a really strange place. JK) I married some girl named Julie. She is really cool and she puts up with my silliness and warped sense of humor. We do have five children (You probably thought I could not count that high, I have had doubts myself) Four Girls and one Boy. They all are really cool too! The game of life keeps us really busy. Work, School, Soccer, Piano, Music, Camping, Boating, Hiking....ahhhhh! The reunion should be great!

Sarah Clissold (Nelson)
