Occupation: Clinical Pharmacist Intermountain Medical Center

Marital Status: Married

We have 4 sons: 21 (just married), 19 (mission), 17, 12 and a live in family therapist Max (our dog). Life is good! Looking forward to the reunion.

Monica Smith (Pasqual)

Occupation: Musician
Website: www.blamesally.com
Marital Status: Committed Relationship

Now

From Monica: I've lived in the San Francisco Bay Area for the last 20 years as a professional musician and songwriter. Last year, at this ridiculously ripe age, I landed a great recording contract with my all-woman band, Blame Sally. Now we get to tour the country in a van like a bunch of 20 year olds. Perfect. I have a lovely partner named Tom Erikson who is a talented photographer who luckily loves music. I've loved reading about everybody else and am sorry I won't be able to see you all in August, but I'll be out of the country at that time. Have fun!

Scott Perkins

Then

Birthday: January 14, 1961
Occupation: Civil Engineer / Massage Therapist
Marital Status: Committed Relationship

Now

From Scott: I live in Sarasota Florida with my partner, Robert Sutton. I've been working as a professional civil engineer for the past 22 years here in Florida and the Caribbean, and am now doing massage therapy on the side.

I've become reacquainted with many friends from high school via Facebook. Look me up.

Not sure if I'll make the reunion yet. Kathy Griffin is standing in my way.

Deirdra Price

Occupation: Licensed Psychologist
Website: www.dietfreesolution.com
Marital Status: Married

From Deirdra: After college I moved to Coronado, CA to attend graduate school. Ultimately, the ocean won out over mountains. The decision to not have children allowed me to focus on my career. My specialty is the treatment of eating disorders and weight control problems. I have had a book published and teach online CEU courses as well as run a commercial real estate investment company with my husband. In addition, I am involved with four organizations where I sit on their boards. My passions are travel and the arts. My goal is to visit 100 countries and I've been to 68. Life is rich, interesting, and good.

Dan Rich

Then

Birthday: October 31, 1960

Occupation: Powertrain Engineer, Manager

Marital Status: Married

No. of Children: 4

Now

From Dan:

I married Becky Bult (Highland '81) in 1985, finished school in 1987 and moved to Southern California to work in the car business. All four of our kids were born down here and we love it. Two boys are currently serving missions, the youngest girl is just entering High School, and one daughter with special needs is in school.

It's hard to imagine 30 years has passed so soon, I still feel so young at heart. I feel lucky to be doing what I love, with those I love, and I can't believe I still get payed to play with cars!

I won't be able to make the reunion but enjoy catching up with the mini-bio's here. Enjoy the reunion and hope to see some good pics of the activities.

Sarah Sandberg

Birthday: October 26, 1961

Occupation: self-employed

Website: dynamicfeedback.com

Marital Status: Married

No. of Children: 3

Now

From Sarah : I'm sorry I won't make the reunion. I'll miss seeing everyone. I'll miss seeing everyone. Instead I'm off to Venezeula for a few years to bask in the sun, learn Spanish, and try not to get kidnapped. I have a nice husband, 3 great kids (7-16), and no pets. I've spent the last 30 years in Rhode Island, Italy, Portland, LA, New Zealand, and a block from where I grew up.

High school memories: pink foam curlers, braces, no bake cookies, lip gloss, stomps, long polyester dance dresses, flexible scheduling.

From George: Whoa!!! 30 years... I haven't been to one reunion and look forward to making this one. We all look so old... but, I guess looks are deceiving. I still feel young with a few growing pains... er.. maybe those are "old age" pains! "Life is Going On..."
Do you think Shirley Smith will come for the reunion of the "first graduating class of room 409"?

Howard Sharp

Birthday: April 26, 1961

Occupation: Physician

Marital Status: Married

No. of Children: 2

Now

From Howard: I found it difficult at first to cheer for Highland High, but I have to be loyal to my daughter who is on their volleyball team. When rock & roll didn't work out, I fell back on medicine and thats were I've been stuck since 1995. I have a lovely wife Lori (Skyline), and 2 children who make life great.
