Birthday: September 22, 1960

Occupation: Business/Finance/Real Estate

Marital Status: Married

No. of Children: 4

Now

From Douglas: Class of 79'..... It's hard to believe we're a decade into the new century - I still recall those memorable days in the front hall as if they were... ok, quite awhile ago. But I certainly find it hard to believe that 30 years have come and gone.

This year my 3rd of 4 Sons will graduate from good 'ol "East High" - All of them have had many wonderful experiences - And, I'm grateful, that each one of them has far surpassed my scholastic efforts at East.

While "High School Musical" was targeted towards the younger crowd - I have met people all over the world who now know of our almatmater - the Legendary "East High!".

I continue to enjoy the blessings of wonderful friendships developed oh so long ago walking the hallowed halls of "East High".

I look forward to catching up with each of you this summer!

Patti Carver (Westling)

Birthday: July 18, 1961

Occupation: Domestic Goddess

Marital Status: Married

No. of Children: 4

From Patti: So unreal to see that 30 years have gone by since high school!!! Life has been a great adventure filled with experiences and opportunities I would never have imagined.

I left Utah after a couple of years of college to live and work in NY and get a glimpse of life in another time zone and loved it! My time there planted the seeds of my love for travel and adventure. I've since lived in 7 different states and seen much of the US and visited The Azores (of all places!!!) and parts of Europe.

I have an amazing husband and we've been living in Chandler, AZ for the past 7 years - not the place I'd like to spend our golden years - I'm a stormy weather girl - but it has it's advantages.

Mark owns a small business and we are active in our local business community and very involved with the American Cancer Society as well. We have no children together, unless you count our black lab mix - Johnny (Cash) and red-headed cocker mix - Willie (Nelson). Bet you can guess what kind of music someone in our home loves . . . :-). I am the fortunate step-mom of 4, 2 sons and 2 daughters which has had it's unique challenges and rewards.

This is the first reunion I've been aware of - moving too much to get the word, I guess - but am hoping to be able to be there. I've enjoyed reading your posts and wish you all the best always.
